Note: Benefits with Percentage Copayment amounts are based upon the UnitedHealthcare negotiated rate.

[1]Covered Services will not be covered until you meet the Calendar Year Deductible. Only amounts incurred for Covered Services that are subject to the Deductible will count toward the Deductible. The Deductible applies to the Annual Out-of-Pocket Maximum. The amounts applied to the Deductible are based upon UnitedHealthcare's contracted rates. The Family Deductible is an embedded deductible. When an individual member of a family unit satisfies the Individual Deductible for the Calendar Year, no further Deductible will be required for that individual member for the remainder of the Calendar Year. The remaining family members will continue to pay full member charges for services that are subject to the deductible until the member satisfies the Individual Deductible or until the family, as a whole, meets the Family Deductible.

[2] Annual Out-of-Pocket Maximum includes Copayments for UnitedHealthcare benefits including pediatric vision, pediatric dental, behavioral health, prescription drug, chiropractic, and acupuncture benefits. It does not include standalone, separate and independent Dental and Vision benefit plans or infertility benefit, if purchased by the employer group. When an individual member of a family unit satisfies the individual out of pocket maximum for the calendar year, no further out of pocket maximum will be required for that individual member for the remainder of the calendar year. The remaining family members will continue to pay charges until a member or the family as a whole meets the family out of pocket maximum.

[3]Clinical Trial services require preauthorization by UnitedHealthcare. If you participate in a Cancer Clinical Trial provided by a Non-Participating Provider that does not agree to perform these services at the rate UnitedHealthcare negotiates with Participating Providers, you will be responsible for payment of the difference between the Non-Participating Providers billed charges and the rate negotiated by UnitedHealthcare with Participating Providers, in addition to any applicable Copayments, coinsurance or deductibles.

[4]The inpatient hospital benefits Copayment does not apply to newborns when the newborn is discharged with the mother within 48 hours of the normal vaginal delivery or 96 hours of the cesarean delivery. Please see the *Combined Evidence of Coverage and Disclosure Form* for more details.

[5]In instances where the negotiated rate is less than your Copayment, you will pay only the negotiated rate. (This footnote only applies to dollar copayments.)

[6] Bone anchored hearing aid will be subject to applicable medical/surgical categories (.e.g. inpatient hospital, physician fees) only for members who meet the medical criteria specified in the Combined Evidence of Coverage and Disclosure Form. Repairs and/or replacement for a bone anchored hearing aid are not covered, except for malfunctions. Deluxe model and upgrades that are not medically necessary are not covered.

[7]Preventive tests/screenings/counseling as recommended by the U.S. Preventive Services Task Force, AAP (Bright Futures Recommendations for pediatric preventive health care) and the Health Resources and Services Administration as preventive care services will be covered as No charge. There may be a separate copayment for the office visit and other additional charges for services rendered. Please call the Customer Service number on your Health Plan ID card.

[8]FDA-approved contraceptive methods and procedures recommended by the Health Resources and Services Administration as preventive care services will be 100% covered. Copayment applies to contraceptive methods and procedures that are **NOT** defined as Covered Services under the Preventive Care Services and Family Planning benefit as specified in the Combined Evidence of Coverage and Disclosure Form.

[9]Refer to your Supplement to the Combined Evidence of Coverage and Disclosure Form and Pharmacy Schedule of Benefits for Outpatient Prescription Drug Coverage details.
