Online tools to help you live a healthy life

My Health Manager

When you are a registered member on kp.org and receive care at Kaiser Permanente facilities, you get a one-stop resource for managing your health online—24 hours a day, seven days a week.¹ With My Health Manager, you can:

- Email your doctor's office.
- View most lab test results.
- Refill prescriptions.
- Schedule routine appointments.
- View recent immunization records.
- Use many of these same features on behalf of your child.²
- Take a total health assessment and place a summary of your results in your electronic health record.

Your time and your health are important. Make them both a priority with My Health Manager. Learn more at kp.org/experience.

Good health on the go

Now you can download the Kaiser Permanente app for the iPhone®, iPad®, or iPod touch® from the App StoreSM or for AndroidTM from Google Play—and use My Health Manager on the go.³ Or bookmark kp.org on your Web-enabled phone or mobile device.

Healthy lifestyle programs

Together with HealthMedia®, we offer a personalized approach to improving your well-being with our healthy lifestyle programs.¹ Choose the program that's right for you and get a customized action plan that can help get your life headed in a healthier direction.

- Take a total health assessment with Succeed®.
- Manage your chronic condition with Care® for Your Health.
- Lose weight with Balance®.
- Eat healthy with Nourish®.
- Manage diabetes with Care® for Diabetes.

¹To use the secure features of My Health Manager or to participate in a healthy lifestyle program, you'll need to register on our website. To get started, go to kp.org/registernow, then sign on with your user ID and password. Some services are not available in all areas.

²The "act for a family member" function allows parents and/or legal guardians to access their child's online electronic health record and exchange secure messages with their child's health care team. Access to a child's record is subject to state law. To help ensure the privacy of a child's personal health information, parents must sign on with their own user IDs and personal passwords each time they use the feature. A parent must be a Kaiser Permanente member registered on kp.org to act on behalf of a child member.
