Total Replacement reward *(continued)*

You'll earn a one-time reward when you establish Kaiser Permanente as the sole carrier for your new or renewing groups with effective dates of January 1, 2017, through December 31, 2017. The Total Replacement reward is only available for each qualifying total replacement group sale made directly with Kaiser Permanente. Sales not made directly with Kaiser Permanente are not eligible for this award.

New groups

Number of subscribers enrolled	Reward
10 to 19	\$1,000
20 to 29	\$2,000
30 to 39	\$3,000
40 to 49	\$4,000
50 to 199	\$5,000
200 to 499	\$7,500
500+	\$10,000

- ▶ **Groups that leave or break away from exchanges** (for example, CaliforniaChoice and Covered California), associations, trust funds, unions, or professional employer organizations and select Kaiser Permanente as the sole carrier are not eligible for the Total Replacement reward program.
- ▶ **A Total Replacement reward will only be paid once for a group.** Under specific circumstances, there are a few exceptions when a Total Replacement reward may be payable more than once on a given group policyholder:
 - The employer group terminates their group policy with Kaiser Permanente and later adds Kaiser Permanente coverage with a total replacement after a minimum of two years.
 - A total replacement group adds another health plan and becomes slice. The slice carrier is subsequently replaced by Kaiser Permanente and the group becomes a total replacement after a minimum of two years has elapsed. The Total Replacement reward payout would be based on the existing business reward scale applicable at that point in time.
- ▶ **If a group terminates within 90 days of its effective date,** the Total Replacement reward will be rescinded.

How to qualify

To qualify for Total Replacement rewards, Kaiser Permanente must be the only employer-sponsored group health plan for all eligible subscribers for the employer's locations in California.

Existing groups *(continued)*

Number of additional subscribers enrolled	Reward
5 to 9	\$500
10 to 19	\$1,000
20 to 29	\$2,000
30 to 39	\$3,000
40 to 49	\$4,000
50 to 199	\$5,000
200 to 499	\$7,500
500+	\$10,000

- ▶ **The Total Replacement reward for existing groups is based on the additional Kaiser Permanente subscribers** (net increase) added to Kaiser Permanente coverage.
- ▶ **Solely moving any individual plan subscriber to the employer group-sponsored plan** does not qualify them as an eligible subscriber for total replacement purposes.

Individuals and Families Plan reward

As a broker, you play a valuable role – and we reward you for it. For each new member you enroll in Kaiser Permanente for Individuals and Families, you'll earn a \$100 reward. This reward applies for:

- ▶ **new members who enroll in a Kaiser Permanente plan** through Covered California – even if they transfer from an individual plan not written through Covered California
- ▶ **new members who enroll directly** with Kaiser Permanente
- ▶ **members who transfer** from a group plan to an individual plan

You'll also earn a \$50 bonus for each member who renews their individual or family plan in 2017.

Compensation will be the same whether members enroll through the individual marketplace or directly with us. For eligible sales not made directly with Kaiser Permanente, reporting from the participating agency may delay reward payments.

Important information about Medicare plans

Kaiser Permanente Senior Advantage, our Medicare plan, is available to individuals and groups in California. However, unless you have a contract with Kaiser Permanente that explicitly authorizes you to sell our Medicare products, brokers aren't authorized to market or sell our Medicare plan or products, and Kaiser Permanente doesn't pay commissions for Medicare individual or group sales. If your clients request Medicare information, contact your Kaiser Permanente account representative.

Group Production reward *(continued)*

Receive a one-time \$1,000 reward for the first 25 new members when you enroll new groups with effective dates of January 1, 2017, through December 31, 2017.

Plus, you'll get \$25 for every additional member enrolled after the first 25.

Enrolled subscribers and each dependent count as members. New group sales made directly with Kaiser Permanente, through CaliforniaChoice, or through Covered California for Small Business are eligible for this reward. The reward is a one-time payment for new group member sales only, and it's not limited to employees.

- ▶ **Rewards for all eligible new sales** will be paid by Kaiser Permanente.
- ▶ **For eligible sales not made directly with Kaiser Permanente**, reporting from the participating agency may delay reward payments.
- ▶ **Groups that leave or break away from exchanges** (for example, CaliforniaChoice and Covered California), associations, trust funds, unions, or professional employer organizations and select Kaiser Permanente as the sole carrier aren't eligible for the Group Production reward program.
